You say it's hard to read me
I make it hard for you
I'm not that easy
It's a strength you can't undo

Your mind ain't playing tricks
And neither am I
Well, this ain't more than kicks
I like your kind, kind

Ooh, you're askin' for trouble
Don't come around again
Ooh, you're askin' for trouble
Don't come around again

I live alone
And I got no more room
And I won't get my peace
Till I'm in my tomb

I'm warnin' you
Warnin' you to stay away
'Cause you'll be hurtin'
Hurtin' the next day, day

Ooh, you're askin' for trouble
Don't come around again
Ooh, you're askin' for trouble
Don't come around again

Don't come around again
Don't come around

I don't need
Another enemy
And you don't need
A painful memory

Don't come around again
Don't come around

I'm a bad man

When it comes to girls like you
Yeah, I'm a bad man
And there's nothing you can do

Ooh, you're askin' for trouble
Don't come around again
Ooh, you're askin' for trouble
Don't come around again

Ooh, you're askin' for trouble
Don't come around again
Ooh, you're askin' for trouble
Don't come around again

Don't come around again
Don't come around again
Don't come around again
Don't come around again

Don't come around again
Don't come around again
