# "Fiind Myself"

When will I learn how to be alone
How can I learn to let go of you
Everyone can see me
but I can't see myself
Have you seen the key that leads to me

cause I need to find myself
I'm runnin out
I'm runnin out of time to find myself

Why do I suck at putting smiles on their faces?
Why am I only funny to myself?
How come noone understands what I say?
but I thought I didn't know myself

Cause I need to find myself
I'm runnin out
I'm runnin out of time to find myself

I hate everyone
only on certain days
I think you're all annoyed by me
So I'll leave and find myself

I need to find myself
I'm runnin out
I'm runnin out of time to find myself(repeats twice)
