"Get Away"

This is all we do
And I'm not supposed to say a word
I'm feelin' so abused
Feelin' like no one's in my shoes

I gotta get away [x2]
I got no more to lose
I got no more to pay
I gotta get away [x2]
There's gotta be a way,
Maybe, maybe today

You are what you are
Never kind, never mine
I'm finally broken down
Healin' without the heels to stand

I gotta get away [x2]
I got no more to lose
I got no more to pay
I gotta get away [x2]
There's gotta be a way,
Maybe, maybe today

This is all we do
And I'm not supposed to say a word
I'm feelin' so abused
Feelin' like no one's in my shoes

I gotta get away [x2]
I got no more to lose
I got no more to pay
I gotta get away [x2]
There's gotta be a way,
Maybe, maybe today

La, lala, lala, lala...
