i've forgot-ten what it feels like
to feel normal
to be normal
and i've forgot-ten what food tastes like
the way it tastes right
the taste buds taste right

now i wake up
in so much spit and sweat
it is not normal
What is normal?

well I go to bed
When I wake up
After cleaning all
all the spit and sweat

Now I'm
Now I'm

shoo shoo shakin, sha shakin
Im shoo shoo shakin, sha shakin
Im shoo shoo shakin, sha shakin
Im shoo shoo shakin, sha shakin
now...whoa oh oh oh

i tossed and turned
al-l night cause i
cause i was looking for
for an ending
this was so because
because i watched all day
the neverending story with Atreyu

The next day came
but not a beam of light
because the blinds were shut
shoo shoo shoo shut so tight

I fell out of bed
laced in spit and sweat

it made me very cold
it made me very cold

Now Im
Now Im

shoo shoo shakin, sha shakin
im shoo shoo shakin, sha shakin
im shoo shoo shakin, sha shakin
im shoo shoo shakin, sha shakin
im shoo shoo shakin....

Im supposed to feel better
This nightmare's supposed to end

I am holding on
I am holding on
I am holding on
I am holding on

shoo shoo shakin, sha shakin
Im shoo shoo shakin, sha shakin
Im shoo shoo shakin, sha shakin
Im shoo shoo shakin, sha shakin
now...
yeah...
now...
yeah..

im shakin (oh ohhhh)
Im shoo shoo shakin, sha shakin
im shakin (oh ohhhh)
Im shoo shoo shakin, sha shakin

oh yeah....
