I know I can be cruel  
I say a lot of things I don't need  
And I'm not always in the mood  
To give you what you need  
When I come close

You gotta love me, love me  
Love me or leave me  
Love me, love me  
Love me or leave me

Love me, love me  
Love me or leave me  
Love me, love me  
Love me or leave me

I know I act confused  
A perfect just like you  
Do what you want  
But there's no one in the world  
Who would die for you  
There's only me

You gotta love me, love me  
Love me or leave me  
Love me, love me  
Love me or leave me

Love me, love me  
Love me or leave me  
Love me, love me  
Love me or leave me

You won't ever find  
Anyone around who's good as me  
There's only one choice  
You don't wanna grow old all alone

You gotta love me, love me  
Love me or leave me  
Love me, love me  
Love me or leave me

Love me, love me  
Love me or leave me  
Love me, love me  
Love me or leave me

Love me, love me  
Love me or leave me  
Love me, love me  
Love me or leave me

Love me, love me  
Love me or leave me  
Love me, love me  
Love me or leave me
