I was working, late at night  
I was pumping slurpees and nothing was right  
That's when I saw her, and I stared  
She looked my way but she just didn't care

She's got everything  
But she don't got me  
She's got the biggest eyes  
How come she can't see me?  
She's got everything  
But she don't got me  
She's got the sweetest lips  
How come she won't kiss me?

I watched her pull up, from afar  
She looked so fine getting out of her car  
She stood five-foot-seven from her head to her toes  
Rooney playing from her stereo (shakin')  
Feeling so weak, I gotta call love line  
'Cause that lip gloss shook me right down to on my  
spine

She's got everything  
But she don't got me  
She's got the biggest eyes  
How come she can't see me?  
She's got everything  
But she don't got me  
She's got the sweetest lips  
How come she won't kiss me?

She's got everything  
But she don't got me (x4)

She's got everything  
She don't got me  
She's got the biggest eyes  
She can't see me  
She's got everything  
She don't got me  
She's got the sweetest lips--

Ooo!

She's got everything  
But she don't got me  
She's got the biggest eyes  
How come she can't see me?  
She's got everything  
But she don't got me  
She's got the sweetest lips  
How come she won't kiss me?

She's got everything  
But she don't got me (x4)
