one two one two three four

well i met this girl on a
saturday night
saturday night
saturday night
saturday night
saturday night
saturday night

she sat there all alone
with a shirley temple, and a cellular phone
no one to call
no one to ring
no ones home

the bartender knew her number
and name, i grabbed my cell phone
and gave her a ring
wrong number

i guess i gotta do it the hard way
i walked up to her having seen the future

sorry sorry for making your life a living hell
i'm sorry sorry for making your life a living hell
that wasnt me that was alter ego
that wasnt me that was johnny rocket

she was confused
from a point of view i would be confused too
im so rude, what was i thinking

but but she dug my hair, and my new suade shoes so
much
she drug me straight, drug me straight to her room
and i was forgetting what i was doing
two hours later we lay on the bed
and i said sorry sorry for making your life a living your
life a living hell
sorry sorry for making your life a living hell

that wasnt me that was alter ego
no, that wasnt me tha was johnny rocket

im sorry sorry for making your life a living hell
im sorry sorry for making your life a living hell
that wasnt me that was jon lerico
no, that wasnt me tha was johnny rockus
sorry sorry for making your life
sory sorry for making your life
sorry sorry for making your life a living hell
