Stay away from my friends
They're smooth operators
Looking for a way in

Stay away from me tonight
I've made other plans
And you'll just be distracting me
In a good way

She doesn't know
That I love her
Yes, I love her

Make a move on me baby
I can't be the one
Who's always taking chances

See me down so you get down
No you've got me all wrong
I just want to kiss your lips
And you kiss back

She doesn't know
That I love her
Yes, I love her
She doesn't know
That I love her

Leave us alone
Leave us alone
Leave us alone

Your friends and my friends
Leave us alone
Your friends and my friends
Should go far away

She doesn't know
That I love her
Yes, I love her, yeah

She doesn't know

That I love her
Yes, I love her, yeah
