You say I'm a cheat, you say I'm a drag
You say I'm a breast, waiting to sag
You say I'm a pig, you say I'm a dog
You say I'm a bore, you're lost in the fog

But it's
Too late to cry
Yes it's
Too late to lie
Yes it's
Too late to try
'Cause I've heard it all before

You feel like a saint, you feel a slave
You feel like a ghost, digging your grave
You feel like a cut, you feel a bruise
You feel like a case, without any clues

But it's
Too late to cry
Yes it's
Too late to lie
Yes it's
Too late to try
'Cause I've heard it all before

And you know who I was
And you know where I've been
Seen my footprints in the sand
And you've seen my grill

Yeyeyeah!
Aoooo!

Well it's
Too late to cry
Yes it's
Too late to lie
Well it's
Too late to try
Baby it's

Too late to die

(Too late to cry...)

It's too, too late

(Too late to lie...)

It's too, too late

(Too late to try...)

Baby it's too, too late

(Try...)

Baby it's, it's too, too late, yeah

(Try...)

It's too too late...
