Love don't come so easily  
This doesn't have to end in tragedy  
I have you and you have me  
We're one in a million, why can't you see?

I'm waiting, waiting for nothing  
You're leaving, leaving me hanging  
When did your heart go missing?  
When did your heart go missing?

I treat you like a princess  
But your life is just one big mess  
When did your heart go missing?  
When did your heart go missing, yeah

I meant every word I said  
I never was lying that's what you said  
I'm retracing every step in my head  
What did I miss back then? I was so, so misled, oh!

I'm waiting, waiting for nothing  
You're leaving, leaving me hanging  
When did your heart go missing?  
When did your heart go missing?

I treat you like a princess  
But your life is just one big mess  
When did your heart go missing?  
When did your heart go missing?

I don't understand  
How could you forget what we had?  
It's so wrong

I'm waiting, waiting for nothing  
You're leaving, leaving me hanging  
When did your heart go missing?  
When did your heart go missing?

I treat you like a princess  
But your life is just one big mess

When did your heart go missing?  
When did your heart go missing?

Things were so good  
We had a little dream  
(When did your heart go missing?)  
A little dream together  
(When did your heart go missing?)

Buy a house, settle down, do our thing  
But you disappeared on me  
(When did your heart go missing?)  
And your heart, your heart went missin'  
(When did your heart go missing?)  
I don't know how to find it, I don't know where it is

I don't know where your heart went  
It was here just the other day, now it's gone  
(When did your heart go missing?)  
(When did your heart go missing?)  
I'm gonna call the police  
Call the investigator, The Heart Investigative Team
