My, my!

Well, I got a gal, got a poodle dog
Long silky hair an a eye like a frog
So, if you wanna get along with me
Better let her little poodle dog be

We take a stroll out through the park
I play with her poodle, it don't even bark
So, if you wanna get along with me
Better let her little poodle dog be

I feeds her poodle, til it gets it's fill
When I run my finger's through it's hair
Oh, it can't be still

And then in heavy rains or heavy fog
She say, 'Come on daddy
Play with my little poodle dog
So, if you wanna get along with me
Better let her little poodle dog be
My!

[Piano]

'Let it ride on'
'My-my'
'Let it ride'

'Ride now'
'Roll it'
'Roll it' (a heavy hit now)

Feeds her poodle
Til it gets it's fill
When I run my finger's through it's hair
Oh, it can't be still

Damn thing in heavy rains or heavy fog
Say, 'Come on daddy
Play with my little poodle dog
So, if you wanna get along with me

Better let her little poodle dog be

'Man, ride'

'Let her know! '

'My, my'

Better let her little poodle dog be
