Now, it's so true  
That I want romance  
But I'm chicken  
And I'm afraid to take the chance

You know when I know  
That love ain't no crime  
But I've been disappointed  
Deceived by you my last time, my-my

Darlin' what I'm sayin'  
It ain't no fair a deal  
When I say I love you  
Now, you can bet it's for real

You know when I know  
That love ain't no crime  
But I've been disappointed  
Deceived by you my last time, my-my

Now love, love is a thing  
You shouldn't just hammer it around  
You know you're dealin' with a human's heart  
You wind up the loser  
When your deal goes down

You see, I ain't no hand  
To make no one cry  
Lyn' like a dog  
And lookin' her right in the eye

You know when I know  
That love ain't no crime  
But I've been disappointed  
Deceived by you my last time, my-my

'Oh, yeah' [Piano]

Love is a thing  
Now, you shouldn't just hammer it around, my  
Because you're dealin' with a human heart  
And you'll wind up the loser

When your deal goes down

You see, I'm no hand  
To make no one cry  
Lyn' like a dog  
And sittin' there, look at her right in the eye

You know when I know  
That love ain't no crime  
But I've been disappointed  
Deceived by you my last time, oh yes

Deceived by you my last time.
