You broke my mood ring
You broke my mood ring
You made my mood ring sweat

The things you're doin
Those things you're doin
Most women don't even know about 'em yet

When I first saw you tonight
Could not believe my eyes
Got my mood ring smokin
Twice the normal size

Drank three tequila
Just to calm me down
Damn thing splode
Spread my mood around

You broke my mood ring
You broke my mood ring
You made my mood ring sweat

The things you're doin
Those things you're doin
Most women don't even know about 'em yet

Yeah ahh
Ahh ahh

I'm gonna get you baby
Notice what I have to do
I'll polish your mood ring
Turquoise jewelry too

I've got the power
To make your mood ring glow
Take you down in the midnight hour
We'll have a moodlight show

I'll break your mood ring
I'll break your mood ring
I'll make your mood ring sweat

Those things I'm doin
Things I'm doin
Most women don't even know about it yet

Ayah ayah

Break your mood ring baby
Break your mood ring baby
Break your mood ring baby

Break your mood ring
Turquoise jewelry
