Hey wait a minute, don't step on it  
My toupee is out on the floor  
Watch out for my mood ring, 18-button shirts  
In all the latest designs  
My all 12 astrological signs  
But what's worse you know let me tell you about it

Trying to pass for 18  
Is a tough thing to do  
You can't make it in a disco  
When you're 42

Been looking for love  
Every disco in town  
My wig's gettin shaky  
My truss is slippin down

My wig fell off  
Don't step on it out on the floor  
My pacemaker's busted  
My Poli-Grip won't hold no more

These girls laugh  
At my fishnet shirt  
When they call me grandpa  
That really hurts

Look in the mirror  
Didn't look 42  
All that shakin and sweatin  
I must have come unglued

My wig fell off  
Hand my toupee to me  
I'm quittin the disco  
I'm almost 43

Hey look out buddy  
Get off my wig  
Oops I didn't realize  
You was quite so big

Go ahead and keep it  
Keep my mood ring too  
But gimme back my dentures  
Or I'll have to use kung fu

My wig fell off  
Hand my toupee to me  
I'm quittin the disco  
I'm almost 43

My elevator shoes  
My hip jewelry  
Sell 'em at a yard sale somewhere

Anybody wanna buy all 12 astrological signs?  
Anybody wanna buy 18-button shirts in all the latest  
designs?  
Anybody wanna buy a wig?  
You can have my wig for next to nothin

I'm quittin the disco  
I'm quittin the disco y'all  
I can't take it no more

Too much heartbreak, too much pain  
Too much heartbreak, too much pain
