You can't quit my club
You can't quit my club
Get out of that bed, woman
Rustle me up some grub

I made you a star
Put you in my show
I made you a star
Put you in the Root Boy Slim show

You can't quit my club, woman
You ain't got nowhere to go

You stay on the bottom
I'll stay on the top
You stay on the bottom
I'll stay on the top

Don't you tell me where to go, woman
Don't you tell me where to stop

You can't quit my club
You can't quit my club
Put some bubble bath in that bathtub
Jump on in and let's rub

You can't you can't quit it baby
You can't you can't quit it baby
You can't quit
Don't you quit my club baby
I need you too bad
I need you too bad in my club
Don't you quit my club baby
Come on it ain't fair
It ain't fair baby

No! Don't quit my club baby
No! No!
Somebody help me
I'm so bewildered
It leave me so weak
