### CHORUS:

Comin to break you off  
I'm comin to break you off

### 1st verse

Bad misses throwing raspberry kisses on me  
You looking for direction girl I feel your vision on me  
Just don't let him see you sweatin we ain't 'sposed to be  
involved  
Knowin when we get it off girl I mean it all  
Keepin ya pheenin til you're taken and tossed  
And when I'm breakin it off there's no denying the fact  
it's strong  
'cause you got a man who's probably playin his part  
You probably breakin his heart  
He's trying to figure the reason you gone

Is it 'cause he's superficial?  
Or is he too submissive?  
Or did I come along and hit you with the futuristic?  
Or is it 'cause you really couldn't see a future with him  
All he bout is paper never took the time to choose or  
listen

You wanna get gripped up, flipped and thrown  
And get strictly shown  
The way to get in the zone. Of course,  
Dealing with this you won't be taking a loss  
You need to leave him alone and roll  
With the one who's breaking you off

### Chorus

### 2nd verse

Brother down the hall  
The one you bound to call  
Workaholics are really I'm rarely around at all

What we started got serious reprecutions in court  
We had a chance to turn back, but look now it's what  
Late nights twistin something  
Listenin to Neicey sing

She got the beef for you telling me you deeply  
Appreciate the company, time we spend  
I feel the same, it's a shame you ain't my girlfriend  
'cause listen, you need a brotha with the physical fix  
Who come through in the mix  
For you with no head tricks or fraud

You need a new position and who can get you open  
Like eucalyptus and have ready to go for yours  
Come on and work with me, you won't get hurt with me  
Just keep it real and you'll get broken off certainly

Dealing with this you won't be taking a loss  
You need to leave him alone and roll  
With the one who's breaking you off

Chorus

3rd verse

Rollin down the highway, listening to Sade sing  
The way the Smooth Operator move my way  
You sitting beside me  
Looking like Friday Foster, Pam Grier structure  
Look at your body

Keep each other thirsty, kisses like Hershey  
But lips is sealed 'cause we don't want the controversy  
I say I'm in town, you say you want it in the worst way  
You probably told your man it was your mother's  
birthday

Meanwhile it's champagne chillin on ice  
You ready for the freakiest things you've done in your  
life  
We break it down like road dogs pulling a heist  
You makin sounds like the vibe gotcha reaching your  
height

Prepare for flight  
This is your captain  
I'm getting strapped in  
There's no denying the strength that it's attraction  
Girl working with this you won't be taking a loss  
So stop fooling your man and roll  
With the one who's breaking you off

Bridge

Baby, baby, baby  
Don't you worry bout  
Nothing 'cause I'm comin to  
Handle you no doubt

Whenever you want that thing you need  
I got it and I aim to please  
I'm coming over to give it to you baby

Chorus (fade out)
