[Verse 1: Aaron Livingston]

Like when autumn leaves fall
Down from the trees
There goes, my honey bee
I've lost a lot of sleep to dreams
And I do not miss them yet
I wouldn't wish them on than worst of enemies
Let them burn, go from here
Like when autumn leaves

[Verse 2: Black Thought]

To catch a thief, who stole the soul I prayed to keep
Insomniac, bad dreams got me losing sleep
I'm dead tired, my mind playing tricks, deceit
A face in the glass, unable to admit defeat
All that I am all that I was is history
The past unraveled adding insult to this injury
I'm fighting the battle for the soul of the century
Destiny is everything that I pretend to be
Look, and what I did came back to me eventually
The music played on, and told me I was meant to be
awake
It's unresolved like everything I had at stake
Illegal activity controls my black symphony
Orchestrated like it happened incidentally
Oh, there I go, from a man to memory
Damn, I wonder if my fam will remember me

[Verse 3: Aaron Livingston]

I've lost a lot of sleep to dreams
And I do not miss them yet
I wouldn't wish them on the worst of enemies
Let them burn, go from here
Like when autumn leaves
