All of the lonely nights
Waiting for you to come
Longing to hold you tight
I need you so desperately
Waiting for you to come
Bringing your love to me

But I'd wait a million years
Walk a million miles
Cry a million tears
I'd swim the deepest sea
Climb the highest hill
Just to have you near me

As love is reality
When you are near to me
I am in ecstasy
I'd swallow the pain and pride
Baby, I just can't hide
All that I feel inside

And I'd wait a million years
Walk a million miles
Cry a million tears
I'd swim the deepest sea
Climb the highest hill
Just to have you near me

A million years, I would wait for you
A million tears, baby I'd be true
A million miles, I would follow you
A million years, if you want me to

Pacing the floor to test
Sweat pouring down my chest
Still I can't love you less
It's worth all the pain and pride
Baby, I just can't hide
All that I feel inside

And I'd wait a million years
Walk a million miles

Cry a million tears
I'd swim the deepest sea
Climb the highest hill
Just to have you near me

I'd wait a million years
Walk a million miles
Cry a million tears
I'd swim the deepest sea
Climb the highest hill
Just to have you near me

I'd wait a million years
Walk a million miles
Cry a million tears
I'd swim the deepest sea
Climb the highest hill
Just to have you near me

fade out...
