he day had gone too long  
its seem like yesterday  
this is the land we born  
and where we gonna stay  
The proud is there  
we know and its always in your hearts  
that we all stay and fly the flag  
of nation pride

The war had gone  
and all the heroes had their way  
but if its strike again  
we know we gonna stand

we gonna stand and fight  
we'll die for this pride land  
we'll show the foes  
we great coz we the countrymen

and when u hear the call  
we know that u be there  
its for the stripe the moon and star  
coz we all proud that we was made in malaysia

we had been raised to trust  
the god and to the king  
we gonna stand and ground  
the strength that come within  
so if u think u know those feeling that is thru  
and its all for the yellow, the red, and white and blue

and when u hear the call  
we know that u be there  
its for the stripe the moon and star  
coz we all proud that we was made in malaysia

we gonna stand (we gonna shout)  
this is the land (that we all proud)  
lets join the line and you know whats all about  
so if u think (you feel the same)  
raise all the flag (of our land)  
and feel the pride

inside you know that it is thru

we just dont care  
just who u r  
just shout it loud  
that we was made in malaysia
