I look out my window pain, everyday  
And I watch the people go by  
Happy faces laugh at me holding hands  
Theres a bum by a trash can

I stay in and never venture out  
If I do, I might die  
(Spoken)  
I hear voices inside my head  
And they tell me Id be better off dead  
I have a gun to blow myself away  
Does that mean Im insane

Crumbled walls are watching me die  
No one hears my tortured cries  
Will I stay or jump someday  
Dust to dust, my window pain
