Danny Boy was cool  
All his friends thought he was funny  
Until he quit school, And he ran out of money  
His pops kicked him out the door, He moved to London  
Town

His mom said "You can do it, Danny Boy"  
"If You Just Hop To It, Danny Boy"

Now he's living on the streets  
Amongst the living dead  
With a newspaper blanket, and a sidewalk for a bed  
And Danny doesn't swim no more  
He's hungry and he's cold  
His mom said "You can do it, Danny Boy"  
"If You Just Hop To It, Danny Boy"

Oh Danny Boy  
Don't you hear the pipers calling  
Down the street, and across the mountain side  
Oh Danny Boy  
Don't you hear the pipers calling

There saying "You can do it, Danny Boy"  
"If You Just Hop To It, Danny Boy"  
"You can do it, Danny Boy"

When are you coming home, Danny Boy
