Tonight I've got my back agasint the door
So when you leave I'll be the last to wish you well
So amused by the irony
You made a wish upon my fist
Your wish came true

You said you're sorry
But I know very well
That nice guys finish last
I'm going crazy

Fuck it, take it like you want it
It makes no difference in the end

I'm going crazy
I'm going crazy baby
Trying to set myself apart from this
I'm going crazy
I'm going crazy baby
Tryign to set myself apart from this

Burn your bridges down
Burn your bridegs down
Burn your bridges down
Pick your feet up off the groud
Get back in the ring

They tell me I'm sadistic
I tell you that it's true
I see you dancing with my girl
My eyes turn red
True it's that you tell I
Sadistic I'm me tell they
I see you dancing with my girl
My eye turn red

You said you're sorry
But I know very well
That nice guys finish last
I'm going crazy
I'm going crazy baby (It's not my place to say)

Trying to set myself apart from this (It's not yours to
take from me)
I'm going crazy
I'm going crazy baby (It's not my place to say)
Trying to set myself apart from this (It's not yours to
take from me)

Arigato Mister Roboto

I see you dancing
But you're just not good enough
To dance the night away
Dance the night away
Dance the night away
You're on fire

I'm going crazy
I'm going crazy baby
Trying to set myself apart from this
I'm going crazy
I'm going crazy baby (It's not my place to say)
Trying to set myself apart from this (It's not yours to
take from me)
I'm going crazy
I'm going crazy baby (It's not my place to say)
Trying to set myself apart from this (It's not yours to
take from me)

Trying to set myself away from this now
Trying to set myself away from this now
