Let me tell you now

I don't want no handsome man
Cause he won't treat me right
Lord always flirtin', cheatin'
Stayin' out half the night

Lord everybody wants him
But that don't mean it's good
I rather have a plain lookin' man
Who loves me like he should

(Singin' boys)
God's gift to women
That's what they think they are
God's gift to women
Just like a movie star
Everybody wants him
But that don't mean it's good
I rather have a plain lookin' man
Who loves me like he should

I say a plain man like his lovin'
But a handsome man makes you beg
He wants to see you crawlin'
Kneelin' by his leg
He always keeps you waitin'
Because he don't have much to give - no
He thinks you should be grateful
For having him today

I said - God's gift to women
That's what they think they are
God's gift to women
Just like a movie star
Everybody wants him
But that don't mean it's good
I rather have a plain lookin' man
Who loves me like he should

You know a plain man will be faithful

He hates to be untrue
He don't need no fancy car
He just wants to make love to you
He won't win no beauty contest
But that's just not what counts
You need lots of tender lovin'
By the pound and not the ounce

Girls, I said - God's gift to women
That's what they think they are
God's gift to women
Just like a movie star
Everybody wants him
But that don't mean it's good
I rather have a plain lookin' man
Who loves me like he should
