The moment I wake up, before I put on my makeup  
I say a little prayer for you  
While combing my hair, now and wondering what dress  
to wear, now  
I say a little prayer for you

Forever and ever, you'll stay in my heart and I will love  
you  
Forever and ever, we never will part, oh, how I love you  
Together, forever, that's how it must be to live without  
you  
Would only mean heartbreak for me.

I run for the bus, dear, while riding I think of us, dear  
I say a little prayer for you  
At work I just take time and all through my coffee  
break-time  
I say a little prayer for you

Forever and ever, you'll stay in my heart and I will love  
you  
Forever and ever, we never will part, oh, how I love you  
Together, forever, that's how it must be to live without  
you  
Would only mean heartbreak for me.

My darling, believe me, for me there is no one but you  
Please love me too, I'm in love with you, answer my  
prayer.

Forever and ever, you'll stay in my heart and I will love  
you  
Forever and ever, we never will part, oh, how I love you  
Together, forever, that's how it must be to live without  
you  
Would only mean heartbreak for me.
