Lost and all alone
Looking for a reason for being
In this crazy world
Trying to go on
Looking for the answers
To the questions
And there You were

From the moment You appeared
Everything became so clear
I'm so glad that You're here, Lord

I smile when I think about
The way You've turned my life around
I smile when I think about
The happiness in You I've found
I'm so amazed at what Your love has done
And when I think the best is yet to come
I smile!
I smile!

Wandering the dark
Lost in the confusion
I thought I was losing my mind for sure
I searched with all my heart
Looking for direction
Something to believe in
And there You were
And You were reachign down to me
You were everything I needed
I'm so glad You found me, Lord

I smile when I think about
The way You've turned my life around
I smile when I think about
The happiness in You I've found
I'm so amazed at what Your love has done
And when I think the best is yet to come
I smile!
I smile!

'Cause You've turned all my gray skies
To the brightest blue, yes, You did
And my life feels like sunshine
And it's because of You
All because of You.. I smile
