Shades of lies forming stained glass
The beauty of which distracts
Until it shatters down, crashes down
Those whose colors shown until now

Accusations hurled at deaf ears
A link that breaks by light let in
The truth will surely fade, ever rolling waves
Wash them away, wash them away

They'll run from light they helped hide
Pointing fingers at each other
Screaming, until the sound of truth subsides
Screaming slowly turns to singing

Songs of shadowing of lies, lies
Rebuilding shadowing of lies, lies
Circumstantial truth of compromise, lies
Rebuilding shadowing of lies, lies
Paling apathy for truth survives

They'll run from light they helped hide
Pointing fingers at each other
Screaming, until the sound of truth subsides
Screaming slowly turns to singing

Songs of shadowing of lies, lies
Rebuilding shadowing of lies, lies
Circumstantial truth of compromise, lies
Rebuilding shadowing of lies, lies
Paling apathy for truth survives

Lies, lies
Rebuilding shadowing of lies, lies
Circumstantial truth of compromise, lies
Rebuilding shadowing of lies, lies
Paling apathy for truth survives

Lies, lies
Lies, lies
Rebuilding shadowing of lies
Lies, lies
