If you're traveling in the North Country Fair  
Where the winds hit heavy on the borderline  
Remember me to one who lives there  
She once was a true love of mine

If you go when the snowflakes storm  
When rivers freeze and the summer ends  
Please see she has a coat so warm  
To keep her from the howling winds

All I'm wondering if she remembers me at all  
Many times I've often prayed  
In the darkness of my night  
In the brightness of my day

So if you're traveling in the North Country Fair  
Where the winds hit heavy on the borderline  
Remember me to one who lives there  
She once was a true love of mine
