(Rosanne Cash - Vince Gill)

You were like a lost kid looking for home  
You found what you wanted right in my arms  
So if you walk out on me  
Leave your memory  
Take my sympathy and go  
I love you so  
You're never alone

So if you find another woman turns your head  
And you can't understand why it hurts so bad  
Then if you walk out on me  
Just leave your memory  
Take my sympathy and go  
I love you so  
You're never alone

There ain't no need to talk about it  
I can learn to live without it  
Just leave your heart right here with me

If you walk out on me  
Leave your memory  
Take my sympathy and go  
If you walk out on me  
Leave your memory  
Take my sympathy and go  
I love you so  
You're never alone
