(Rosanne Cash)

I'm staying in your house
I'm sleeping in your bed
I'm walking through your dreams
I'm dancing through your head
I'm calling from the streets
I'm crying like the wind
'Cause you are there
And I am here
And you won't let me in

Well I'm changing like a girl
On the threshold of her life
In love with the whole world
But staring down each night
You're everything I need
A love I can't defend
But you are there
And I am here
And you won't let me in
You are there
And I am here
And you won't let me in

No time for kisses
No time to laugh
No way that I can see
To crawl out of our past

Well I'm falling to my knees
But I'm flying like a bird
I follow where you lead
I hang on every word

I can't control the wind
I don't care who you've been
But you are there
And I am here
And you won't let me in
You are there
And I am here

And you won't let me
You are there
I am here
And you won't let me in
You are there
And I am here
And you won't let me in

I keep on callin'
I keep on callin'
I keep on callin'
