"Magic Carillon"

You
In my heart,
In my dreams,
In my crazy world that night,
In your time,
In your life,
In your fantasy!

Carillon, don't play that melody,
Carillon, a tear's for you,
Carillon, where is my fantasy?
Carillon, please, love me too!

I
In your eyes,
Anytime,
Anywhere I think of you.
Take my heart
In your hands,
In my fantasy!

Carillon, don't play that melody,
Carillon, a tear's for you,
Carillon, where is my fantasy?
Carillon, please, love me too!
