My nocturnal queen
Infernal, earthly and divine.
There on your knees
My beloved concubine.

You look deep into my eyes
As your mouth opens wide.
Lips move up and down
Soon in demon seed you'll drown.

So close your eyes my love
Drink my essence
And forever you will be mine.

Atrum Regina, my nocturnal queen.
Atrum Regina, you fulfil me.

Now rise in front of me
How I wish to enter thee
Of lust overwhelmed.
Is this a dream or is this real.

So close your eyes my love
Drink my essence
And forever you will be mine

Atrum Regina my nocturnal queen
You fulfil me Atrum Regina

Now rise in front of me
How I wish to enter thee
Of lust overwhelmed
Is this a dream or is this...

Now bend down
Feel my claw runs up your back.

As I enter thee
With full force from behind.
Feel how the demon seed ejaculate inside.
Goddess of my dreams
My beloved concubine.

Atrum Regina my nocturnal queen.
Atrum Regina you fullfil me

Now rise in front of me
How I wish to enter thee
Of lust overwhelmed
Is this a dream of is this...

Now rise in front of me
How I wish to enter thee
Of lust overwhelmed
Is this a dream or is this real

And forever you will be mine

Atrum Regina my nocturnal queen
