I am one with Satan.
I am the horned beast.
I am thy mighty emperor.
Ruler of the dark domain.
My body is a temple.
Wherein all demons dwell.
A pantheon of flesh am i.
Am i.

Hail me the horned one i am the beast.

I am the truth.
I am everything.
Wherever life is born. I am the flame.
Wherever death will strike.
I am the knife. Wherever evil dwells.
I am the one behind.

Infront of the ineffable king of darkness.
You shall die !!!
I am one with Satan.
I am the horned beast.
I am thy mighty emperor. Ruler of the dark domain.
My body is a temple.
Wherein all demons dwell,
A pantheon of flesh am i

Hail me the horned one i am the beast
