Father

I call your name upon the furious winds
I'm possessed by the spiritual strength of hell
In the chambers of my dark heart a black flame burns
Satan

I summon the horned one from the darkened realms
Grant me the darkened unholy power
To please my evil wicked lust

The coveted hour has finally arrived
The hour when darkness overshadows descends
Under pale light of the frozen moon

I prepare the virgin for sacrifice
I whisper forbidden names upon the skies
Nocturnal visions reveal before me
Nightfall embraces my hateful cries
As I fulfill my dark desires

My dark desires

My dark desires

My dark desires

My dark desires

Satan

Take my soul to hell
I must burn in the unholy flames

Satan

Take my soul to hell
I must burn to purify my weak soul

Father

I call your name upon the furious winds
I'm possessed by the spiritual strength of hell
In the chambers of my dark heart a black flame burns
Satan

I summon the horned one from the darkened realms
Grant me the darkened unholy power
To please my evil wicked lust

The coveted hour has finally arrived
The hour when darkness overshadows descends
Under pale light of the frozen moon

I prepare the virgin for sacrifice
Bring damnation upon
my soul

My dark desires

My dark desires

My dark desires
My dark desires
Satan
Take my soul to hell
I must burn in the unholy flames
Satan
Take my soul to hell
I must burn to purify my weak soul
