Took me a while just to give it away
I've been saving it up
Saving it up

No

Took me a while just to tell you the truth
I've been saving it up
Saving it up

No more time

If my face gives away i'm confused
Terribly sorry to say you elude
Carry a sigh on your head and you paint on your frown
could i love you instead

I'll give you a chance if you leave one to me
Where do we begin
Where do we begin

If my face gives away i'm confused
Terribly sorry to say you elude
Carry a sigh on your head and you paint on your frown
could i love you instead

I feel lonely
Wouldn't you
I feel sorry
Shouldn't you

No more
No more time
