Would you have noticed if i swam away  
Did i make you think twice about letting me in  
Maybe if you'd hold me one more time  
One more time  
I can't tell you anything that is not a lie

The changing times  
The fading lines  
Will you carry me  
A fortress falls  
A lady calls  
Will you marry me

Shot down your advice about the world  
But i didn't listen when you hated me  
It took me ages just to come to this  
If you wanted to kill me  
You could've done it with a kiss  
With a kiss

The changing times  
The fading lines  
Will you carry me  
A fortress falls  
A lady calls  
Will you marry me

Since you went sour  
I've been wondering how the rest will fall to place  
But i didn't notice  
How you undertook this burden of disgrace

The changing times  
The fading lines  
Will you carry me  
A fortress falls  
A lady calls  
Will you marry me

The changing times  
The fading lines  
Will you carry me

A fortress falls  
A lady calls  
Will you marry me  
Marry me  
Marry me  
Merry me
