Infernal I am the creation,  
Ingest the fluid and drown.  
Infest them I control the dead,  
Tearing out the crown.

Existence destroyed,  
The underworld of death.  
Displace them through such agony,  
Left to eternal rest.

Suffering through anxiety and burden,  
A legion of an undead hoard.  
Indulging on blood thats dripping,  
A massacre that I wont stop.  
Kill,  
Kill.  
I want to kill.  
End everything I seek.

Torturing I seek a human life,  
Slay them all as we maul,  
Deep into the carcass.  
Strife is waged,  
Arise infernal existence,  
Cast down.

End them,  
End everything I seek.  
End them,  
End everything I seek.

Torture,  
Infest,  
Torturing I seek a human life,  
Infesting I carve deep inside.

Infernal I am the creation,  
Ingest the fluid and drown.  
Infest them I control the dead,  
Tearing out the crown.

Existence destroyed,  
The underworld of death.  
Displace them through such agony,  
Left to eternal rest.
