Out on the perilous deep where dangers silently creep  
And storms so violently sweep you're drifting too far  
from the shore

Drifting too far from the shore you're drifting too far  
from the shore

Come to Jesus today let him show you the way  
You're drifting too far from the shore

[ guitar - steel ]

Today the tempest rolls high and clouds o'ershadow  
the sky

Sure death is hovering nigh you're drifting too far from  
the shore

Drifting too far from the shore...

[ guitar ]

Drifting too far from the shore...
