Came in last night at a half past ten that baby of my  
wouldn't let me in  
So move it on over (move it on over) move it on over  
(move it on over)  
Move over old dog cause the new dog's movin' in  
He changed the lock on our front door and my door key  
won't fit no more  
So get it on over (move it on over) scoot it on over  
(move it on over)  
Move over short dog cause the tall dog's movin' in  
[ guitar ]  
Well this doghouse here is mighty small but it's better  
than no house at all  
So drag it on over (move it on over) push it on over  
(move it on over)  
Move over skinny dog cause a fat dog's movin' in  
Well he'll crawl back to me on his knees but I'll be busy  
scratchin' please  
So scratch it on over (move it on over) pack it on over  
(move it on over)  
Move over good dog's cause a mad dog's movin' in  
[ guitar ]  
Well remember up before you whine that side of door  
ain't this side of mine  
Si give it on over (move it on over) shake it on over  
(move it on over)  
Move over cold dog cause the hot dog's movin' in
