Someone to care someone to share all your troubles
like no other can do
He'll come down from the skies and brush the tears
from your eyes
You're his child and he cares for you

When the world seems cold and your friends seem few
There is someone who cares for you
When you've tears in your eyes your heart bleeds
inside
There is someone who cares for you
Someone to care...

[organ]

When your disappointments come and you feel so blue
There is someone who cares for you
When you need a friend a friend till the end
There is someone who's a friend to you
Someone to care...
