Come and listen won't you brother have you heard or  
don't you know  
There's a train that's bound for Glory will you ride it  
when it goes  
Have you made all preparations reservations are  
complete  
When you hear that whistle blowing will you be there at  
your seat  
Has your ticket yet been purchased for that Glory  
bound train  
Oh will you ride oh will you ride will you ride that train to  
Glory by and by  
[ guitar ]  
All the headlights will be gleaming Jesus is the  
engineer  
Will you ride that train to Glory or will you linger here  
When these golden bells start ringing when he calls us  
all aboard  
Will you have your ticket ready for your Saviour and  
your Lord  
Has your ticket yet been purchased...  
[ mandolin ]  
When through space we will be traveling leave this  
wicked world of hate  
Then we'll know our destinations just beyond those  
perly gate  
There we'll know there'll be no sorrow and no hurt we'll  
not adore  
We shall dwell within his kingdom buy your ticket and  
be pure  
Has your ticket yet been purchased...  
[ steel ]  
When you hear it in the distance hear it's mighty  
drivers roar  
Just a little while to tarry then we'll walk those streets of  
gold  
Will those loved ones who have journeyed just a little  
while ago  
Meet you there at heaven's station when the last lone  
whistle blow  
Has your ticket yet been purchased...
