"When I Take My Vacation In Heaven"

There so many are taking vacations to the mountains
and lakes and the sea
Where they rest from their cares and their worries
What a wonderful time that must be
But it seems not my luck to be like them I must toil
through the heat and the cold
Seeking out the lost sheep on the mountains bringing
wanderers back to the fold
When I take my vacation in heaven what a wonderful
time that will be
Hearing concerts by the heavenly chorus and the face
of my Saviour I'll see
Sitting down on the banks of the river neath the shade
of the evergreen tree
I shall rest from my burdens forever won't you spend
your vacation with me
[steel]
Now someday I shall take my vacation to the city John
tells us about
With it's foundation walk oh so precious with the
gladness of heart I shall shout
All those sights ever witness by mortals can compare
with the glory up there
I shall spend my vacation with Jesus in the place he
went on to prepare
When I take my vacation in heaven...
