I can feel my neck hair burn
The holy war has begun
Word on the street is that the Dark Lord
Needs a hired gun

When we took the oath
I thought you were a soldier of the light
But I knew the second that
Your nerves ignited

The Devil hired
His Man on Fire
Hey, hey!

Sides are being chosen
As the good and evil rise
Double-crossing me has put you
On the other side

When we took the oath
I thought you were a soldier of the light
But I knew the second that
Your nerves ignited

The Devil hired
His Man on Fire
Hey, hey!
