There goes another day  
How many people are livin in the pain?  
I wonder how many souls  
Are just like mine  
A soul full of holes

Raise your hands  
Don't be afraid  
I know that you can  
Raise your hands

Here goes another night  
How many people dream they are flying?  
I wonder how many souls are just like mine  
With a plan for escaping

How many souls hang do not disturb?  
How many mouths say love's just a word?  
And how many think  
There's something that's just not  
Right with the world?

Raise your hands  
Don't be afraid  
You can do what you can  
Raise your hands
