(Bill Monroe)

Blue moon of Kentucky keep on shining  
Shine on the one that's gone and proved untrue  
Blue moon of Kentucky keep on shining  
Shine on the one that's gone and left me blue.

It was on the moonlight night the stars were shining  
bright  
It whispered from on high your love has said goodbye  
Blue moon of Kentucky keep on shining  
Shine on the one that's gone and said goodbye.

--- Instrumental ---

I said blue moon of Kentucky  
Shine on the one that's gone and said goodbye...
