Out on the perilous deep where dangers silently creep
And storms so violently sweep you're drifting too far
from the shore

Drifting too far from the shore you're drifting too far
from the shore

Come to Jesus today let him show you the way

You're drifting too far from the shore

[guitar - steel]

Today the tempest rolls high and clouds o'ershadow
the sky

Sure death is hovering nigh you're drifting too far from
the shore

Drifting too far from the shore...

[guitar]

Drifting too far from the shore...
