There's a mansion now empty just waiting for me
At the end of life's travel someway
Many friends and dear loved ones will welcome me
there
Near the door of that mansion someday.

Here I labor and toil as I look for a home
Just a numble of gold among men
While in heaven a mansion is waiting for me
And the gentle voice pleading come in.

There's a mansion now empty just waiting for me
At the end of life's travel someway
Many friends and dear loved ones will welcome me
there
Near the door of that mansion someday.

--- Instrumental ---

When my labor and toiling have ended below
And by hand shall I hold it in rest
I'll exchange this old home for a mansion up there
And invited up angel as guest.

There's a mansion now empty just waiting for me
At the end of life's travel someway
Many friends and dear loved ones will welcome me
there
Near the door of that mansion someday...

Let Those Brown Eyes Smile At Me

Today I feel so sad and weary
I want a love that cannot be
All I need to make me happy
Let those brown eyes smile at me.

Let those brown eyes smile at me dear
That's what I wish with all my soul
Let those brown eyes smile at me dear
Turn my blue moon back to gold.

--- Instrumental ---

We've been sweethearts so long darling
Now you're growing tired of me
The last time that we were together
Those brown eyes didn't smile at me.

Let those brown eyes smile at me dear
That's what I wish with all my soul
Let those brown eyes smile at me dear
Turn my blue moon back to gold...
