"How Beautiful Heaven Must Be"

We read of a place that's called heaven it's made for
the pure and the free
These truthen God's words he had given how
beautiful heaven must be
How beautiful heaven must be sweet home of the
happy and free
There heaven of rest for the weary how beautiful
heaven must be
[steel]
In heaven no drooping nor pining no wishing for
elsewhere to be
God's light it's forever there shining how beautiful
heaven must be
How beautiful heaven must be...
[guitar]
The angels so sweetly are singing up there by a
beautiful sea
Sweet chords from their gold harps are ringing how
beautiful heaven must be
How beautiful heaven must be...
