On Sunday when the church bells start ringing they're  
ringing for you and for me  
Let's all gather round at the altar and pray that our  
souls may be free  
I'll meet you in church Sunday morning and we'll all  
kneel down and pray  
We'll pray to our Lord up in heaven to guide us safe  
home on our way  
[ fiddle ]  
It's a place where we all meet on Sunday to worship our  
Lord up above  
And let all our sins be forgiven and meet with the ones  
that we love  
I'll meet you in church...  
[ mandolin ]  
In heaven I'll hear a voice calling from the land where  
there's no endless days  
Let's all be prepared to meet Jesus the path is narrow to  
the home far away  
I'll meet you in church...
