Came in last night at a half past ten that baby of my
wouldn't let me in
So move it on over (move it on over) move it on over
(move it on over)
Move over old dog cause the new dog's movin' in
He changed the lock on our front door and my door key
won't fit no more
So get it on over (move it on over) scoot it on over
(move it on over)
Move over short dog cause the tall dog's movin' in
[guitar]
Well this doghouse here is mighty small but it's better
than no house at all
So drag it on over (move it on over) push it on over
(move it on over)
Move over skinny dog cause a fat dog's movin' in
Well he'll crawl back to me on his knees but I'll be busy
scratchin' please
So scratch it on over (move it on over) pack it on over
(move it on over)
Move over good dog's cause a mad dog's movin' in
[guitar]
Well remember up before you whine that side of door
ain't this side of mine
Si give it on over (move it on over) shake it on over
(move it on over)
Move over cold dog cause the hot dog's movin' in
