Buck Owens & Rose Maddox

Chorus:

Will there be sweethearts in heaven  
After we cross the line  
If the angels have sweethearts  
Then I want you for mine.

(Buck)

If I should go first and leave you behind  
To face life alone, bare this in mind

(Rose)

That I'll be a-waiting if heaven's my fate  
To take you by the hand just inside the pearly gates.

(Buck Owens & Rose Maddox)

Chorus:

Will there be sweethearts in heaven  
After we cross the line  
If the angels have sweethearts  
Then I want you for mine.

--- Instrumental ---

(Rose)

If I knew for sure when the time comes to part  
Someday in heaven you'd be my sweetheart.

(Buck & Rose)

Chorus:

Will there be sweethearts in heaven  
After we cross the line  
If the angels have sweethearts  
Then I want you for mine...
